1931 Ford 5 Window Coupe - You are viewing a 1931 Ford 5 Window Coupe Street Rod. This is the real deal. Not a kit car. Real Henry Ford Steel 5 window coupe. Please be advised with a 5 Window Coupe, you have plenty of room inside. I am 6 foot 1 and I fit very comfortably. This is a very high end build. The body is laser straight! Black paint is stunning. Interior is also very high end. Full Tan custom interior with overhead console and stereo. Extremely nice and tight driving car with

independent front suspension, 9 inch Ford rear end with nice cruising gear. Has Rear Coil overs, 350 Chevy Small Block with Turbo 350 Automatic Transmission, Front Disc Brakes, Drum Rear, Ice Cold Vintage Air Conditioning, Tilt Wheel and custom Steel 32 Grill Shell. 1931 all Steel 5 Window Coupes are really hard to find this nice. Highly collectable and climbing in value. Always a great investment with a real Steel Body.
