1940 Ford Deluxe Convertible - You are viewing a 1940 Ford Deluxe Convertible. Just out of a private collection. This car was professionally restored to perfection! Starting with a laser straight rust free original steel body with stunning show quality paint. Sitting on the original frame with upgrades for better handling etc. Up front there is an added sway bar, tube shocks with split wishbone and original buggy spring. Rear is set up with parallel leaf springs with 9 inch Ford rear end. Has added front Disc

brakes, drum rear. Motor is a 350 small block Chevy with Edelbrock Performer Intake and Carburetor, 350 Automatic Transmission. The Rich Tan Exterior color and the Burgundy Leather interior is just breathtaking in person. Convertible top is perfect and is the very high end Haartz cloth material. The most amazing thing about this car is how nice it drives! Getting in this car and grabbing the Big Crestline Steering wheel, is a feeling that is very hard to describe. I feel I could drive this car across country. Very dependable. Drives and rides like a new car! This is not only a driver, but a show car. Car needs NOTHING! Just get in and have a blast!!! Has won 2008 NSRA Great Lakes Nationals, and US Radiator Coolest tradition award. Comes with photo album of restoration.
