**1967 Chevrolet Corvette** - You are viewing a 1967 Chevrolet Corvette Convertible. This is a numbers matching car with 52,000 actual documented miles. This car is out of a private collection. This Corvette had one repaint in 1985 and still looked great! The paint had some finish cracks, minor scratches, but still looked good. I made the decision to repaint the car. The car is so original and clean, it deserved it. The car was taken completely apart and sanded down to fiberglass. Gaps are perfect and has 6 coats of

clearcoat. So it now has fresh paint and all new bumpers, grill, handles etc. Now it looks perfect! No expense spared on paint and body. Beyond show quality paint. Paint color is Marlboro Maroon Metallic with very rare Saddle Interior. Interior is mint. Engine compartment is very original and clean. Undercarriage the same. It has the optional L79 327/ 350 horse motor with 4 spd transmission. Has Power Steering and 4 Wheel Disc Brakes. Brand new Convertible Top. Since car was sitting in a collection, I had the complete brake system redone. All new everything! Even the clock and radio work! Brand new Coker Redline radial tires on aftermarket Kelsey Hays wheels. I do have the original date coded Rally Wheels on good tires that go with the car. Comes with many receipts and NCRS Shipping Data Report. This a fine example of America's true sports car.
