1987 Buick Regal Turbo T - You are viewing a 1987 Buick Regal Turbo T. This is a one owner car. 54,000 Actual Original Miles. Titled in original owners name. This is a very rare 87 Turbo T in Black as there was very few produced in Black. Other than Performance Exhaust system, Cold Air Intake and New Turbo Tweak Chip, this car is 100% original! Original Paint looks AMAZING!!! Interior looks like new! Under carriage is unbelievably clean. This Buick runs and drives like brand new. I have original

Window Sticker, All original owners manuals and books, many receipts and best of all, I have hand written in a ledger, every oil change from day one!!! This car has been garage kept and babied its whole life. I actually bought this car from the mechanic that has serviced this car for past 20 years. He was helping original owner sell it as he was not able to drive it anymore. As all Turbo Buicks I buy, I take them to KDK performance for a complete set up. They installed the turbo tweak chip. Car was tuned and runs perfect! Very strong. You will not find a finer example of these very collectable cars.
