1978 Chevrolet Corvette Pace Car - You are viewing a 1978 Corvette Pace Car. This is a limited production model with only 6501 produced. This car just came out of a Pace Car collection. Showing only 25K miles. Paint is nice. I believe a few area's have been spotted in. So not 100% original paint. Small cracks in clear coat on front bumper. See Video. Interior is all original and looks new! Everything works even the 8 Track player! I just put brand new tires on it and had the air conditioning all gone

through. New Compressor etc. Blows Ice cold. Has Factory Glass T Tops with Factory T Top Covers. This is a chance to buy a very Collectable Limited Edition Corvette.
