**1981 Pontiac Trans Am Bandit** - You are viewing a 1981 Pontiac Trans Am. With only 30,385 miles, this is truly a rare find. The word BANDIT Trans Am gets used a lot when it comes to a Black Trans Am. This is a True Documented Y84 with Build Sheet, Black Special Edition Bandit Trans Am. This is a very rare car as it is a LG4 305 Chevy Motor from factory with a 4 speed. Out of 33,313 Trans Ams produced in 1981, only 932 were produced in this configuration. Has Factory T-Tops and Ice Cold

AC. This was a special order car with N89 Gold Turbo Wheels, G80 Posi Rear Axle and GU6 3:42 Rear Axle Ratio. As I mentioned, a Factory Build Sheet comes with the car showing all options. This TA has had one repaint in its life time. Paint looks amazing. Body is nice and straight. One small scratch that was repaired on driver rear quarter. Very hard to notice. Interior looks new! These cloth seats for 1981 are not reproduced. These are in mint condition. Very original and very clean undercarriage. Original books and spare. Runs and drives like NEW!!! This is your opportunity to own a very rare and highly collectable Trans Am.
