**1980 Chevrolet Camaro Z/28** - You are viewing a 1980 Chevrolet Camaro Z/28. This car is a true time capsule. Has 38,000 actual miles!! Miles are documented on the title. Also has 95% original paint. I say that only because the front bumper may have been painted. The original 350 motor is 100% original. And yes, it's a factory 4 speed! The original Dark Blue Metallic paint is in amazing condition. The very rare Oyster Color Interior looks new! This color combination looks stunning in person. I just had

the factory Air Conditioning professionally switched from the original R12 to R134A. Blows ICE COLD! Functional Ram Air hood works perfectly. This Z/28 Comes with New 17 Inch Z/28 Wheels and Tires from Year One. I love the look of these 17's. Undercarriage is super clean. I purposely did not detail the undercarriage. I wanted it to stay original. Mufflers are newer as you can see. Overall a very original unmolested 1980 Z/28. This car drives like new. Solid and tight with no rattles and runs strong! If possible, come see this car in person. I have a drive on lift and you can go all over this car to see just how nice it is. You will NOT be disappointed.
