**1979 Chevrolet Camaro Z/28** - You are viewing a 1979 Chevrolet Camaro Z/28. This is a rare example of an all original car with only 45,000 actual documented miles. Paint appears to be original lacquer paint. This is a 2 owner car bought new at Bob Meyer Chevrolet in Norwalk Ohio. The original owner sold car to a relative and he traded it back in recently on a new Camaro at the same dealership now called Firelands Chevrolet. So it has been in same town since new and always garage kept.

Another interesting story is both owners always kept T-Tops off the car and stored in the bags in the trunk. So the tops are in perfect new condition as is the T Top seals on car. Paint still looks amazing! Interior looks new! All original including radio that works. All gauges work except tach. All glass in perfect shape. Motor is original 350. Has chrome fender braces under hood but original are in the trunk. Carpet has some wear under mat where your heel would rub. No rust anywhere. Air Condition blows ice cold and extremely hard for this year car. And YES, IT'S A 4 SPEED!! Undercarriage is very clean. No rust and was dealer undercoated from new. Runs and drives perfect like a 45,000 mile should. These 1979 Z/28's are rising in value. A great investment especially with this low documented miles and a 4 speed.
